

# SUNNYSIDE GARDEN DAYCARE CENTRE

## ALMOST SPRING NEWSLETTER

Daylight Savings Time and Spring are right around the corner and the children can't wait to get out of their snow pants for good. Although It's been another winter of very little snow , the warmth of the sun and green grass will be a welcome sight.

We are looking forward to a fun March Break and plans for another exciting summer program have begun. We will be sending out the summer attendance forms in early April and camp enrollment for the community will start in May.

The Toddler room is a busy place these days. You can see them out on their neighborhood walks and it is amazing how fast they are learning all the routines of being in child care. They have been a welcome addition to the school family.

The School Age children can't get enough of building with boxes, so if you have boxes of any shapes and sizes e.g. cereal, shoe boxes, etc., you can drop them off in Room 101, 105 or 106.

"Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood."
